CAPABILITY AND CAPACITY

Staffing

We have the capacity to upscale to 50 trade qualified staff and comfortably deliver projects up to \$5 million.

Equipment and Fleet

KBG can supply diverse vehicle and equipment assets for projects. These resources include:

- 4WD vehicles
- Excavators, skid steer loaders and earthmoving machinery (with attachments)
- Elevated Work Platform (EWP)

HEALTH, SAFETY AND ENVIRONMENT

KBG is fully compliant with Queensland Workplace Health and Safety (WH&S) legislation and has Quality Assurance and Safety Policies and Safe Work Statements in place.

KBG is committed to environmental protection and has an appropriate management policy in place for all projects.

Risk assessments are conducted prior to all projects with mitigating strategies documented and implemented to ensure employee, contractor and visitor safety. Risk management and safety are key business strategies.
